**Agreements/Policies: Code of Conduct, Technique Policy, Handbook Acknowledgement**

**Parent MUST initial each section and sign at the bottom**

I have shared this information with my athlete and they are aware of these Policies and Agreements.

\_\_\_\_\_ **Code of Conduct for Athletes and Parents**

I recognize that parents are the most important role models for their children and athletes to help achieve a sense of teamwork, self-worth and sportsmanship. I encourage my child to play by the rules and respect the rights of others. I understand that it is important to enforce MAX rules, respect the sport of cheerleading, and not judge others decisions during or after a competition. In addition, Athletes of MAX are expected to follow the rules of the program and remain in good standing with their fellow teammates and coaches.

\_\_\_\_\_ **Technique Policy**

Tumbling Technique needs to be a top priority for every athlete. Technique scores set apart the top teams from other competitors. Proper technique will help minimize the athlete from sustaining an injury. Athletes should be attending mandatory tumbling classes. Private tumbling can be arranged with us.

\_\_\_\_\_ **Stay to Play Policy**

In competitive All Star Cheerleading, we will travel for certain away competitions. Many competitions have implemented a Stay to Play Policy which requires ALL performers, coaches and spectators to make ALL room reservations through the housing company designated by the competition producer. Team and individuals that don't abide by this policy will not be eligible to participate.

\_\_\_\_\_ **Handbook Acknowledgement**

I will download and read the MAX 2018-2019 Athlete/Parent Handbook from the MAX Website. I will share this document with my athlete. I fully understand this document is a contract between myself, my family and MAX Cheer.
